Notes & Reference:

- **Registrations:** Number of users who created an account during that time period.
- **Logins:** Number of unique users who logged in during the time period.
- **Unique Actives:** Number of unique users who placed at least one bet during the time period.
- **# of Bets:** Number of bets placed during the time period.
- **Stake Amount:** Total amount staked during the time period.
- **Average Stakes per Active:** Total amount staked divided by the number of unique actives for the time period.
- **Unique Purchasers:** Number of unique users who made a successful purchase during the time period.
- **Purchase Amount:** Total amount of successful purchases during the time period.
- **Purchase Count:** Total count of successful purchases during the time period.
- **ARPPU:** Average Revenue Per Purchasing User - Total amount of successful purchases divided by the unique number of purchasing users during the time period.
- **ARPDau:** Average Revenue Per Daily Active User - Total amount of successful purchases divided by the unique number of active users (who placed at least one bet) during the time period.
- **SMLY:** Same Month Last Year
- **SMLY % Δ:** The percent change comparing the current month to the same month the previous year.
